

## Accelerating Business Growth – UK and Europe

<b>How?</b>	<ul style="list-style-type: none"> <li>• We accelerate your international growth by refining strategy, and finding partners, investors and key clients.</li> <li>• Unlike government agencies, who must also support your competitors, we are focused on your success.</li> </ul>
<b>Will you succeed in UK?</b>	<ul style="list-style-type: none"> <li>• The UK market is very competitive; success needs a well-articulated proposition focused on clear business needs.</li> <li>• You want results, fast; we identify opportunities for you to focus exactly on client-expressed needs to deliver better value.</li> <li>• These are uncertain times; buyers avoid risks; track record remains important, effective partnerships help.</li> </ul>
<b>What we offer</b>	<ul style="list-style-type: none"> <li>• a modest-cost formal review of your plans covering strategy, opportunity, risks, resources, etc.</li> <li>• 4-6 month support programme to accelerate commercial success by finding key business or technology partners or staff</li> <li>• ad-hoc or interim representative support in UK as you take practical steps in the UK market and beyond</li> </ul>
<b>Why Vecta Consulting?</b>	<ul style="list-style-type: none"> <li>• Commercially successful international business, technology and trade strategists and tacticians.</li> <li>• Senior experience in operations, systems development, business development and consulting at Arthur D Little, Cambridge Consultants Ltd and ABB.</li> <li>• The founder has advised hundreds of blue-chip and start-up clients in communications, engineering, IT, media and security.</li> <li>• Unlike government advisors, Vecta can engage directly with your clients as your representative if and when required.</li> </ul>
